- 3.15 The Contractor shall be bound to follow and ensure compliance to all the safety and security regulations and other statutory rules applicable to the area. In the event of any damage or loss or sufferance caused due to non-observance of such rules and regulations, the contractor shall be solely responsible for the same and shall keep the ISPRL indemnified against all such losses and claims arising from the same.
- 3.16 At any time after acceptance of tender, the ISPRL reserves the right to add, amend or delete any work item, the bill of quantities at a later date or reduce the scope of work in the overall interest of the work by prior discussion and intimation to the Contractor. The decision of ISPRL, with reasons recorded therefor, shall be final and binding on both the ISPRL and the Contractor. The Contractor shall not have right to claim compensation or damage etc. in that regard. The ISPRL reserves the right to split the work under this contract between two or more contractors without assigning any reasons.
- 3.17 Contractor shall not be entitled to sublet, sub contract or assign, the work under this Contract without the prior consent of the ISPRL obtained in writing.
- 3.18 All signatures in tender document shall be dated as well as all the pages of all sections of the tender documents shall be initialed at the lower position and signed, wherever required in the tender papers by the Tenderer or by a person holding Power of Attorney authorizing him to sign on behalf of the tenderer before submission of tender.
- 3.19 The tender should be quoted in English, both in figures as well as in words. The rates and amounts tendered by the Tenderer in the Schedule of rates for each item and in such a way that insertion is not possible. The total tendered amount should also be indicated both in figures and words with the signature of tenderer.

If some discrepancies are found between the rates given in words and figures of the amount shown in the tender, the following procedure shall be applied:

(a) When there is a difference between the rates in figures and words, the rate which corresponds to the amount worked out by the tenderer shall be taken as correct.

(b) When the rate quoted by the tenderer in figures and words tallies but the amount is incorrect, the rate quoted by the tenderer shall be taken as correct.

(c) When it is not possible to ascertain the correct rate in the manner prescribed above the rate as quoted in words shall be adopted.

- 3.20 All corrections and alterations in the entries of tender paper will be signed in full by the tenderer with date. No erasures or over writings are permissible.
- 3.21 Transfer of tender document by one intending tenderer to the another one is not permissible. The tenderer on whose name the tender has been sent only can quote.
- 3.22 The Tender submitted by a tenderer if found to be incomplete in any or all manner is liable to be rejected. The decision of the ISPRL in this regard is final and binding.

4. DEPOSITS

a) EARNEST MONEY DEPOSIT (EMD)

The tenderer will be required to pay a sum as specified in the covering letter, as Earnest Money Deposit in the form of Demand Draft in favor of Indian Strategic Petroleum Reserves Limited, from any Scheduled Bank (other than a Co-Operative Bank) payable at Visakhapatnam.

The DD is required to be submitted in a separate envelop superscripting the cover "EMD for CONSTRUCTION OF SECURITY BUILDING" at ISPRL, Lova Gardens, Visakhapatnam" and should be attached to the Tender Document. The tenders received without the EMD for an amount of Rs.1,00,000/- or an invalid form of DD, it will be summarily be rejected without any notice.

The earnest money deposit will be refunded after finalization of the contract.

For exemption of EMD, please refer the SECTION 01 - NIT under EMD for details.

b) **SECURITY DEPOSIT:**

The tenderer, with whom the contract is decided to be entered into and intimation is so given will have to make a security deposit of **Ten percent (10%)** of the total contract value in the form of account payee crossed demand draft drawn in favor of the Owner, within 15 days from the date of intimation of acceptance of their tender; to the contact person, failing which the Owner reserves the right to cancel the Contract and forfeit the EMD.

10% of PO/Contract value as Security deposit will be acceptable in the form of Demand draft up to Rs.50,000/- and in the form of Demand draft / Bank guarantee beyond Rs.50,000/-.

c) **RETENTION MONEY/PBG:**

10% of the total value of the Running Account and Final Bill be deducted for construction of a building to **for the items supplied under** this contract and retained by the Owner as retention money on account of any damage/defect liability that may arise for the period covered under the defect liability period clause of the Contract free of interest. Any damage or defect that may arise or lie undiscovered at the time of issue of completion certificate connected in any way with the equipment or materials supplied by contractor or in workmanship shall be rectified or replaced by the contractor at his own expenses failing which the Owner shall be entitled to rectify the said damage/defect from the retention money. Any excess of expenditure incurred by the Owner on account of damage or defect shall be payable by the Contractor. The decision of the Owner in this behalf shall not be liable to be questioned by shall be final and binding on the contractor.

Thus, deduction towards retention money is applicable only in case of job/works contracts (civil, mechanical, electrical, maintenance etc.) where any damage or defect may arise in future (i.e., within 12 months from the date of completion of job) or lie undiscovered at the time of issue of completion certificate.

5. DETAILS ON WORK

5.1.0 PLANS, DRAWINGS AND APPROVALS FURNISHED BY OWNER

- 5.1.1 Plans and Drawings and other information forming part of the bid documents has been provided by the OWNER in good faith with a view to assist the CONTRACTOR, and shall constitute only a general guidance to enable the CONTRACTOR to visualise the work and/or supplies contemplated under the contract. The OWNER assumes no responsibility as to the correctness thereof, and the CONTRACTOR is expected prior to bidding, to have undertaken a complete and independent survey and to have made its own study of all factors relevant to the performance of the work or making the supplies. The CONTRACTOR shall exercise its knowledge and competence in scrutinising and evaluating such information and shall proceed with use of such information only after satisfying itself of its sufficiency and correctness for use.
- 5.1.2 It shall be the exclusive responsibility of the CONTRACTOR to call upon the Engineer-in-Charge (in respect of approvals to be furnished by the OWNER) for and to pursue and obtain from the Engineer-in-Charge any approvals required to be furnished to the CONTRACTOR under the contract for the proper execution of the work or any particular item or job therein or making of any front or supply, as the case may be, as and when required, sufficiently in advance of the stage of delivery of the materials or of the progress of the work for continuance of which the same shall be required. Any failure by the CONTRACTOR to do so shall be entirely at the risks and the costs of the CONTRACTOR and shall not constitute a ground for the extension of time. If the Engineer-in-Charge shall fail to provide the CONTRACTOR requisite approval(s) or disapproval(s) as the case may be, the CONTRACTOR shall give written notice to the Engineer-in-Charge stating specifically the approval(s) which is/are pending, the period for which it/they are pending, the reason(s) for which they are pending and that the notice is being given pursuant to the provisions of this Clause 5.1.2 of the General Conditions of Contract. If thereafter, the said notice, notwithstanding the approval or the disapproval, as the case may be, is not granted within 10(ten) working days, the drawings or documents or other proposal(s) put up for approval, will be deemed to have been approved.
- 5.1.3 The CONTRACTOR shall submit to OWNER/ Engineer-in-Charge, within the periods specified by OWNER/ Engineer-in-Charge, such documents, write-ups, designs, samples, patterns, models, data and other information as may be required in order to enable OWNER/ Engineer-in-Charge to furnish the requisite approval(s). The CONTRACTOR shall be responsible for any discrepancy, error, or omission in any drawings or other matters or things or documents and other particulars supplied by it whether or not such drawings, documents and particulars or other matters and/or things have been approved by the OWNER/ Engineer-in-Charge.
- 5.1.4 Where the CONTRACTOR claims such deemed approval, pursuant to Clause 5.1.2, the CONTRACTOR shall submit to the DGM with the supporting documents and notice(s) in support of the claim of deemed approval and the DGM shall, if satisfied of the existence of such deemed approval, certify the approval on the drawing/document and upon such certification the drawing/document shall be deemed to have been approved in Code-I. The CONTRACTOR shall not be entitled to claim any extension of time on this account.
- 5.1.5 The CONTRACTOR shall not depart from the approved documents, drawings, samples, patterns, models or manuals

except as directed in writing by OWNER/ Engineer-in-Charge.

- a) With a view to expedite OWNER's approvals of critical drawings, the CONTRACTOR shall furnish to the Engineer-in-Charge, in writing as precisely as possible, a list of critical drawings (hereinafter referred to "critical drawings") within 25 (twenty five) working days of the Letter of Acceptance or at the commencement of the kick-off meeting, which ever is earlier.
- b) At the initiative of the CONTRACTOR, the Engineer-in-Charge and the CONTRACTOR shall discuss as soon as possible and finalise the schedule for the presentation for approval of the critical drawings so as to enable appropriate persons to be assigned for approval of the drawings.
- c) The critical drawings requiring the OWNER's approval shall be transmitted to the office of the OWNER's CONSULTANT electronically for which the CONTRACTOR shall establish an electronic system compatible with that of the OWNER's CONSULTANT for document/ data transfer. The details of the system available with the OWNER's CONSULTANT are provided in the Bidding Documents. Failure by the CONTRACTOR to install such compatible electronic transfer system shall constitute a breach of the CONTRACTOR's obligations to which the provisions of Clause 10 of these General Conditions shall be applicable, without prejudice to any right of action available to the OWNER's in this behalf. Until the CONTRACTOR provides such system, the CONTRACTOR shall solely assume all risks and delay, and shall personally deliver to OWNER's CONSULTANT's office all drawings and documents requiring approval and to depute to the OWNER's CONSULTANT's designated office, its design engineer for across the table discussions with reference to the drawings/documents and to personally pick up from the designated offices of the OWNER's CONSULTANT the reviewed/commented upon drawings/documents.
- d) It is anticipated that the non-critical drawings will be submitted periodically in accordance with a schedule to be established by the CONTRACTOR in consultation with the Engineer-in-Charge within 15 (Fifteen day) days of the notification of award in conjunction with the Progress Schedule.
- e) Bottlenecks in critical and non-critical drawings shall be removed by discussion across the table between the OWNER/OWNER's CONSULTANT with the CONTRACTOR and the CONTRACTOR's consultants and/or sub-vendors concerned. These meetings shall be held at the designated offices of OWNER or the OWNER's CONSULTANT once in a week or otherwise as required.
- f) The CONTRACTOR shall as soon as possible, after issue of Letter of Acceptance establish with the Process Licensor(s), in consultation with the OWNER, the schedule for and modalities of Licensor's review of CONTRACTOR's drawings, so far as required.

5.1.6 The CONTRACTOR shall carefully study the plans/drawings and other Contract documents and shall bring to the notice of the Engineer-in-Charge for clarification/correction, any ambiguity, error, discrepancy, contradiction or omission therein prior to the execution of related work(s) or undertaking the related supply(ies) as the case may be, under the provisions of Clause 1.5 hereof.

5.1.7 Notwithstanding anything to the contrary in the contract documents expressed or implied, and notwithstanding the absence of any ambiguity, error, discrepancy, contradiction or omission in the plans/drawings as aforesaid, the Engineer-in-Charge shall be entitled at any time before or during the making of the related supplies or execution of the related works to amend/modify or alter any plan(s) or drawing(s) furnished to the CONTRACTOR by the OWNER and the CONTRACTOR shall perform and/or to continue to perform the related work(s) or supply(ies) as the case may be, according to the amended/modified/alterd plans/drawings as per the mutually agreed rates.

5.1.8 Copies of all approved plans and designs relating to the work(s) and supplies shall be kept and maintained at the CONTRACTOR'S office at the site and shall be made available to the Engineer-in-Charge for inspection or reference at any time during the execution of work.

5.1.9 All plans and drawings furnished by the OWNER to the CONTRACTOR shall be and remain the property of the OWNER and shall be returned by the CONTRACTOR to the OWNER on completion of the work(s) or prior to determination of the contract.

5.2.0 PLANS, DESIGNS, DRAWINGS AND SPECIFICATIONS TO BE FURNISHED BY CONTRACTOR

5.2.1 The CONTRACTOR shall within scope of his work prepare detailed working and other plans, drawings and designs required for or in connection with the performance of the work or selection, procurement or making any supply, and these plans/ drawings shall be got approved from the OWNER before the CONTRACTOR commences the performance of the relative work or making the relative supply.

5.2.2 The CONTRACTOR shall, if within the scope of his work also carry out investigative and design studies and prepare

detailed design for the various materials and works covered in the contract documents. Such detailed designs along with referred codes, standards and practices, back-up calculations, computer runs and other details on basis of which the designs have been prepared shall be subject to the OWNER'S approval. Detailed working drawings and material specifications shall be prepared and established on the basis of the approved design(s) and shall also be subject to the OWNER'S approval.

- 5.2.3 Where the CONTRACTOR shall be required under the contract to prepare or furnish any plan(s) or specification(s) or other items or things in respect of the work or any particular work and/or supplies or any particular supply, the CONTRACTOR shall within **15(fifteen)** days (or such other period as the Engineer-in-Charge may prescribe in this behalf) of receipt of Letter of Acceptance or not less than **21(twenty one)** days before the proposed date of commencement of the relative work or supply, which ever shall be earlier, submit to the Engineer-in-Charge or other authorities specified by the OWNER in this behalf for approval the relative plan(s)/ drawing(s)/ design(s)/ specification(s)/ item(s)/thing(s) concerned. The Engineer-in-Charge/ specified authority shall be entitled at any time to suggest any amendment (s) or modification(s) in the plans/ drawings and/or specifications and the CONTRACTOR shall thereupon either convince the Engineer-in- Charge/specified authority of the unnecessary in whole or part of such amendment or modifications or shall implement the same and shall cause the plan(s)/drawing(s)/ design(s)/ specification(s) or item(s) or thing(s) concerned to be accordingly amended, provided that no such approval of or amendments/ modifications in the plans/drawings/designs/specifications by or suggested by the Engineer-in-Charge/specified authority shall anyway absolve the CONTRACTOR of any of his obligations, responsibilities or liabilities under the contract, inclusive of and relative to the utility and suitability of the CONTRACTOR's plans/drawings/designs/specifications or items or things concerned in or for the relative works or supplies and fulfillment of all specifications and performance and other guarantees of the consequent works/supplies, any such approval or suggestion by the Engineer-in-Charge/ authority as aforesaid being intended only by way of assistance to the CONTRACTOR and prima facie satisfaction of the OWNER without any attendant liability upon the Engineer-in-Charge/specified authority in this behalf and without any estopped against the OWNER from asserting that notwithstanding such approval, the plan, drawing, design, specification or other item or thing approved and any resultant work or supply were faulty and/or not in accordance with the contractual requirements .
- 5.2.4 The CONTRACTOR shall furnish **three** prints each of the drawings for approval of the Engineer-in-Charge.
- 5.2.5 The CONTRACTOR shall not permit any work to be done or any material to be supplied or fabricated or manufactured at variance with drawings/ designs/ specifications approved by the Engineer-in-Charge or other specified authority. The approved drawings may be released to the CONTRACTOR for fabrication/ installation progressively.
- 5.2.6 Unless otherwise required at least **3(three)** sets of direct reading reproduces, no lower in quality than auto positive of extra thin paper able to produce clean legible prints (the reproduces to be submitted in roll forms) and **3(three)** sets of prints of all approved plans/drawings/ designs/ specifications prepared by the CONTRACTOR, together with similar sets of reproduces and prints of all revisions/amendments/ modifications therein shall be lodged with the Engineer-in-Charge/ specified authority for the record of the OWNER, such sets of plans/ drawings/designs/ specifications shall be signed by the CONTRACTOR and shall indicate thereon the number and date of each revision/ amendment and of the communication of the Engineer-in- Charge or any other agency appointed by the OWNER for the approval thereof, by which the approval was given.
- 5.2.7 All the Final drawings shall bear the certification stamp as indicated below, duly signed by both, the CONTRACTOR and the approving authority specified/ Engineer-in-Charge:

5.a EXECUTION OF WORK

All the works shall be executed in strict conformity with the provisions of the contract documents and with such explanatory details, drawings, specifications and instructions as may be furnished from time to time to the Contractor by the ISPRL, whether mentioned in the Contract or not. The Contractor shall be responsible for ensuring that works throughout are executed in the most proper and workman like manner with the quality of material and workmanship in strict accordance with the specifications and to the entire satisfaction of the ISPRL. The completion of work may entail working in monsoon also. The contractor must maintain the necessary work force as may be required during monsoon and plan to execute the job in such a way the entire project is completed within the contracted time schedule. No extra charges shall be payable for such work during monsoon. It shall be the responsibility of the contractor to keep the construction work site free from water during and off the monsoon period at his own cost and expenses. For working on Sundays/Holidays, the contractor shall obtain the necessary permission from ISPRL in advance. The contractor shall be permitted to work beyond the normal hours with prior approval of ISPRL and the contractors quoted rate is inclusive of all such extended hours of working and no extra amount shall be payable by the ISPRL on this account.

5.b. COMMENCEMENT OF WORK

The contractor shall after paying the requisite security deposit, commence work within 15 days from the date of receipt of the intimation of intent from the ISPRL informing that the contract is being awarded. The date of intimation shall be the date/day for counting the starting day/date and the ending day/date will be accordingly calculated.

A Letter of Intent is an acceptance of offer by the ISPRL and it need not be accepted by the contractor. But the contractor should acknowledge a receipt of the purchase order within 15 days of mailing of Purchase Order and any delay in acknowledging the receipt will be a breach of contract and compensation for the loss caused by such breach will be recovered by the ISPRL by forfeiting earnest money deposit/bid bond.

No Mobilization advance will be given for the tendered work.

5.c. SUBLETTING OF WORK

5.c.1. No part of the contract nor any share or interest thereof shall in any manner or degree be transferred, assigned or sublet, by the Contractor, directly or indirectly to any firm or corporation whatsoever, without the prior consent in writing of the ISPRL.

5.c.2. At the commencement of every month, the Contractor shall furnish to the ISPRL list of all sub-contractors or other persons or firms engaged by the Contractor.

5.c.3 The contract agreement will specify major items of supply or services for which the Contractor proposes to engage sub-Contractor/sub-Vendor. The contractor may from time to time propose any addition or deletion from any such list and will submit the proposals in this regard to the ISPRL for approval well in advance so as not to impede the progress of work. Such approval of the ISPRL will not relieve the contractor from any of his obligations, duties and responsibilities under the contract.

5.c.4. Notwithstanding any sub-letting with such approval as resaid and notwithstanding that the ISPRL shall have received copies of any sub-contract, the Contractor shall be and shall remain solely to be responsible for the quality and proper expeditious execution of the works and the performance of all the conditions of the contract in all respects as if such subletting or sub-contracting had not taken place and as if such work had been done directly by the Contractor.

5.c.5 Prior approval in writing of the ISPRL shall be obtained before any change is made in the constitution of the contractor/Contracting agency otherwise contract shall be deemed to have been allotted in contravention of clause entitled "sub-letting of works" and the same action may be taken and the same consequence shall ensue as provided in the clause of "sub- letting of works".

5.d SUSPENSION OF WORKS

5.d.1. Subject to the provisions of this contract, the contractor shall if ordered in writing by the ISPRL for reasons recorded suspend the works or any part thereof for such period and such time so ordered and shall not, after receiving such, proceed with the work therein ordered to suspended until he shall have received a written order to re-start. The Contractor shall be entitled to claim extension of time for that period of time the work was ordered to be suspended. Neither the ISPRL nor the Contractor shall be entitled to claim compensation or damages on account of such an extension of time.

5.d.2. In case of suspension of entire work, ordered in writing by ISPRL, for a period of 30 days, the ISPRL shall have the option to terminate the Contract as provided under the clause for Termination. The Contractor shall not be at liberty to remove from the site of the works any plant or materials belonging to him and the Employer shall have lien upon all such plant and materials.

5.d.3. The contractor shall, in case of suspension, have the right to raise a dispute and have the same arbitrated but however, shall not have the right to have the work stopped from further progress and completion either by the ISPRL or through other contractor appointed by the ISPRL.

5.e. ISPRL MAY DO PART OF WORK

Notwithstanding anything contained elsewhere in this contract, the ISPRL upon failure of the Contractor to comply with any instructions given in accordance with the provisions of this contract, may instead of Contract and undertaking charge of entire work, place additional labor force, tools, equipment and materials on such parts of the work, as the ISPRL may decide or engage another Contractor to carry out the balance of work. In such cases, the ISPRL shall have the right to deduct from the amounts payable to the Contractor the difference in cost of such work and materials with ten percent overhead added to cover all departmental charges. Should the total amount thereof exceed the amount due to the contractor, the Contractor shall pay the difference to the ISPRL within 15 days of making demand for payment failing which the Contractor shall be liable to pay interest at 24% p.a. on such amounts till the date of payment.

5.f. INSPECTION OF WORKS

- 5.f.1. The ISPRL and Officers from Central or State Government will have full power and authority to inspect the works at any time wherever in progress, either on the site or at the Contractor's premises/workshops of any person, firm or corporation where work in connection with the contract may be in hand or where the materials are being or are to be supplied, and the Contractor shall afford or procure for the ISPRL every facility and assistance to carry out such inspection. The Contractor shall, at all times during the usual working hours and at all other times at which reasonable notice of the intention of the ISPRL or his representative to visit the works shall have been given to the Contractor, either himself be present to receive orders and instructions, or have a responsible agent, duly accredited in writing, present for the purpose. Orders given to the Contractor's agent shall be considered to have the same force as if they had been given to the Contractor himself. The Contractor shall give not less than seven days' notice in writing to the ISPRL before covering up or otherwise placing beyond reach of inspection and measurement any work in order that the same may be inspected and measured. In the event of breach of above, the same shall be uncovered at Contractor's expense for carrying out such measurement and/or inspection.
- 5.f.2. No material shall be removed and dispatched by the Contractor from the site without the prior approval in writing of the ISPRL. The contractor is to provide at all times during the progress of the work and the maintenance period proper means of access with ladders, gangways, etc. and the necessary attendance to move and adapt as directed for inspection or measurements of the works by the ISPRL.
- 5.f.2 The contractor at site will maintain an instruction book serially numbered having one original and two copies of each page so that our visiting officers/ site engineers can issue instructions regarding progress and quality of work to the contractor. The contractor or the contractor's representative will sign in the instruction book in token of receipt of and understanding of such instruction. The original copy of the instruction page shall be sent too the concerned engineer and second copy will be retained by the issuing person and the third copy shall be retained by the contractor.

5.g. DAMAGE TO PROPERTY

- 5.g.1. Contractor shall be responsible for making good to the satisfaction of the ISPRL any loss of and any damage to all structures and properties belonging to the ISPRL or being executed or procured by the ISPRL or of other agencies within the premises of the work of the ISPRL, if such loss or damage is due to fault and/or the negligence or willful acts or omission of the Contractor, his employees, agents, representatives or sub-contractors.
- 5.g.2. The Contractors shall indemnify and keep the ISPRL harmless of all claims for damage to ISPRL's property arising under or by reason of this contract.

5.h. TIME FOR COMPLETION

- 5.h.1 The CONTRACTOR shall complete in all respects in accordance with the Contract, the entire work within the time specified in this behalf in the Time Schedule included in the bid documents.
- 5.h.2 Within 14 (Fourteen) days from the date of receipt of notification of acceptance of Bid/LOI the CONTRACTOR shall submit to the OWNER for approval a detailed Progress Schedule in graphical or other suitable form, giving dates of starting and finishing of various operations and works within the scope of work, providing sufficient margin to cover for contingencies and for final testing and commissioning and consequential reparation, replacement and/or supply. The Engineer-in-Charge and the CONTRACTOR shall thereafter within another 7 (Seven) days settle the Progress Schedule and the Progress Schedule so settled shall be the approved Progress Schedule and shall form part of the contract with attendant obligations upon the CONTRACTOR to commence the various works/operations involved on or before date(s) mentioned in this behalf in the approved Progress Schedule and to conclude the said works/operations on or before date mentioned in this behalf in the approved Progress Schedule and default by CONTRACTOR to commence or complete within prescribed date(s) any work or operation shall be deemed to be a breach by the CONTRACTOR to which the provisions of clause relating to termination of contract shall apply, but without prejudice to any other rights or remedies which the OWNER may have in this behalf.
- 5.h.3 The said Progress Schedule(s) to be submitted to the Engineer-in-Charge for approval shall be accompanied as part thereof by a document which will list, relative to each operation, the labour, machinery and equipment to be employed by the CONTRACTOR to achieve the desired rate of progress, it being understood, however, that the quantity and types therein indicated shall merely constitute an indication of minimums, and shall not anyway absolve the CONTRACTOR from his/its obligations to complete the work in all respects within the time for completion specified in this behalf elsewhere in the bid documents and/or to employ additional labour, machinery and equipment necessary to achieve the desired rates of progress and/or to complete the work within the specified time.
- 5.h.4 If the CONTRACTOR shall fail to submit to the OWNER a Progress Schedule as envisaged above or if the Engineer-in-Charge and

CONTRACTOR shall fail to agree upon the Progress Schedule as envisaged above, then the Engineer-in-Charge shall in consultation with the CONTRACTOR prepare the Progress Schedule (the dates of progress as fixed by the Engineer-in-Charge being final and binding upon the CONTRACTOR except as herein otherwise expressly provided), and shall issue the Progress Schedule so prepared to the CONTRACTOR, and the provisions of clause 5.h.2 shall apply relative thereto as though it was as approved Progress Schedule.

- 5.h.5 Any reference in the contract documents to the “approved Progress Schedule” or to the “Progress Schedule” shall mean the “approved Progress Schedule” specified in clause 5.h.2 above or the “Progress Schedule” prepared and issued by the Engineer-in-Charge as specified in clause 5.h.4 above, whichever shall be in existence.
- 5.h.6 Within 7 (Seven) days of the occurrence of any act, event of omission which, in the opinion of the CONTRACTOR, is likely to lead to delay in the commencement or completion of any particular work(s) or operation(s) or the entire work at any job site(s) and is such as would entitle the CONTRACTOR to an extension of time specified in this behalf in the Progress Schedule(s), the CONTRACTOR shall inform the OWNER and the Engineer-in-Charge, in writing, of the occurrence of the act, event or omission and the date of commencement of such occurrence. Thereafter, if even upon the cessation of such act or event or the fulfillment of the omission, the CONTRACTOR is of the opinion that an extension of the time specified in the Progress Schedule relative to particular operation(s) or item(s) or works or the entire work at the job site(s) is necessary, the CONTRACTOR shall, within 7 (Seven) days after the cessation or fulfillment as aforesaid, make a request to the Engineer-in-Charge for extension of the relative time specified in the Progress Schedule. The Engineer-in-Charge may on such request at any time prior to completion of the works extend the relative time of completion in the Progress Schedule for such period(s) as he considers necessary, if he is of opinion that such act, event, or omission constitutes a ground for extension of time in terms of the Contract and that such act, event, or omission has in fact resulted in insurmountable delay to the CONTRACTOR. The opinion/decision of the Engineer-in-Charge in this behalf and as to the extension necessary shall subject to the provisions of clause 5.h.7 hereof, be final and binding upon the CONTRACTOR.
- 5.h.7 Notwithstanding the provisions of clause 5.h.6 hereof, the OWNER may at any time after final completion of the Unit or works in all respects of its own initiative consider a request for extension of time made by the CONTRACTOR to the Engineer-in-Charge under Clause 5.h.6 or at the request of the CONTRACTOR made by way of appeal either against the decision of the Engineer-in-Charge taken under clause 5.h.6 or against the Engineer-in-Charge’s failure to take a decision under the said clause, if satisfied of the existence of any ground(s) justifying the delay, extend the date for completion of the work or any item or operation thereof for such period(s) as the OWNER may consider necessary, and the decision of OWNER as to the existence or otherwise of any grounds justifying the extension and as to the period(s) of extension necessary shall be final and binding upon the CONTRACTOR.
- 5.h.8 Subject as elsewhere herein or in the Contract documents expressly provided, only the existence of force majeure circumstances as defined in clause 5.h.9 hereof shall afford the CONTRACTOR a ground for extension of time for completion of the work or any part of the work or any operation(s) involved therein, and specifically without prejudice to the generality of the foregoing, inclement or unforeseen weather, strike, lockouts, third party breach, delay in supply of materials(s) or commercial hardship shall not afford the CONTRACTOR a ground for extension of time or relieve the CONTRACTOR of his/its full obligations under the Contract, nor will any forced shutdown or idleness or other impediment in progress or completion of the work due to any reason whatsoever afford the CONTRACTOR a ground for extension of time or relieve the CONTRACTOR of his/its full obligation under the Contract except and to the extent otherwise elsewhere herein specifically provided.
- 5.h.9 “Force Majeure” shall mean an event beyond the control of the CONTRACTOR and not involving the CONTRACTOR’s fault or negligence and not foreseeable, such as, but not restricted to, wars (declared or undeclared) or revolutions, civil wars, tidal waves, fires, major floods, earthquakes, epidemics, quarantine restrictions and freight embargoes.
- 5.h.10 Upon an extension of the time for completion of the work or any part of the work or any operation(s) involved therein, the extended date of completion shall be deemed to be the relative date of completion in the Progress Schedule.
- 5.h.11 The extension of time shall be the sole remedy of the CONTRACTOR for any cause or event of delay and the CONTRACTOR shall not be entitled in addition to or in lieu of such extension, to claim any damages or compensation for extended stay or otherwise whether under the law governing contracts or quasi-contracts or any other relationship, and the CONTRACTOR hereby waives and disclaims any and all contrary rights.

5. i . PRICE ADJUSTMENT FOR SLIPPAGE IN COMPLETION

- 5.i.1 The Total Price specified in the Contract is based (i) On the Completion of the job by the CONTRACTOR; and (ii) On Completion of the specified jobs within the time lines for Completion of the jobs specified in the Time Schedule. The quoted total Price shall be subject to adjustment by way of discount as hereinafter specified, if the job(s) is/are not

completed by the CONTRACTOR or if the job(s) is/are fully completed subsequent to the date of Total Completion and handing over as specified in the Time Schedule.

- 5.i.2 If Completion of the job(s) is/are not achieved by the date of committed Completion of the job(s) specified in the Time Schedule or if any works for which a separate Progress Schedule has been established is/are not achieved by the date of completion thereof specified in the relevant Progress Schedule (each of the said date(s) is hereinafter referred to as the "starting date for discount calculation"), the OWNER shall be entitled to a discount in the Total Price in a sum equivalent to the Total Price specified below for each week or part thereof that the work remains incomplete beyond the starting date for discount calculation, namely :
- (i) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 1 (one) week of the starting date for discount calculation – 0.1 % (one tenth percent) of the Total Price.
 - (ii) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 2 (two) weeks of the starting date for discount calculation – 0.2% (two tenth percent) of the Total Price.
 - (iii) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 3 (three) weeks of the starting date for discount calculation – 0.3 % (three two tenth percent) of the Total Price.
 - (iv) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 4 (four) weeks of the starting date for discount calculation – 0.4% (four tenth percent) of the Total Price.
 - (v) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 5 (five) weeks of the starting date for discount calculation – 0.5 % (five tenth percent) of the Total Price.
 - (vi) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 6 (six) weeks of the starting date for discount calculation – 0.7% (seven tenth percent) of the Total Price.
 - (vii) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 7 (seven) weeks of the starting date for discount calculation – 0.9 % (nine tenth percent) of the Total Price.
 - (viii) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 8 (eight) weeks of the starting date for discount calculation – 1.2% (Twelve tenth percent) of the Total Price.
 - (ix) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 9 (nine) weeks of the starting date for discount calculation – 1.5% (One and Half percent) of the Total Price.
 - (x) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 10 (ten) weeks of the starting date for discount calculation – 2% (Two percent) of the Total Price.
 - (xi) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 11 (eleven) weeks of the starting date for discount calculation – 2.5% (Two and Half percent) of the Total Price.
 - (xii) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 12 (twelve) weeks of the starting date for discount calculation – 3% (Three percent) of the Total Price.
 - (xiii) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 13 (thirteen) weeks of the starting date for discount calculation – 5% (five percent) of the Total Price.
 - (xiv) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 14 (fourteen) weeks of the starting date for discount calculation – 7.5% (seven and half percent) of the Total Price.
 - (xv) For Mechanical Completion of the Unit(s) or completion of the works, as the case may be, achieved within 15 (fifteen) weeks of the starting date for discount calculation – 10% (ten percent) of the Total Price.
- 5.i.3 The starting date for discount calculation shall be subject to variation upon extension of the date for Mechanical Completion of the Unit(s) or final completion of the works as the case may be by the Engineer-in-Charge under Clause 5.h.6 or by the OWNER under Clause 4.3.6.0, with a view that upon any such extension there shall be an equivalent extension in the starting date for discount calculation under Clause 5.i.2 hereof.
- 5.i.4 Application of price adjustment under clause 5.i.2 above shall be without prejudice to any other right of the OWNER, including the right of termination under Clause 10.0 and associated clauses thereunder.

- 5.i.5 Nothing in Clause 5.i.2 above shall prevent the OWNER from exercising its right of termination of Contract under Clause 10.0 hereof and associated clauses thereunder, and the OWNER shall be entitled, in the event of exercising its said right of termination after the last date for Mechanical Completion of the Unit(s) and/or for final completion of the works as the case may be, as specified in the Progress Schedule or any extension thereof, without prejudice to any other right or remedy available to the OWNER, to discount as aforesaid in the contractual price of services in addition to any amount as may be due consequent to a termination under Clause 10.0 hereof and associated clauses thereunder.
- 5.i.6 It is specifically acknowledged that the provisions of this Clause 5.i and associated Clauses thereunder constitute purely a provision for price adjustment and/or fixation and are not to be understood or construed as a provision for liquidated damages or penalty under Clause 74 of the Indian Contract Act or otherwise, and that the OWNER shall be entitled to damages or compensation, as the case may be, for breach or delay, independently of these provisions for price adjustment.

7. PAYMENT OF CONTRACTOR'S BILLS

7.1. **Payments will be made against Running Accounts bills certified by the ISPRL within 30 days from the date of receipt of the bill.**

7.2. Running Account Bills and the final bill shall be submitted by the Contractor together with the duly signed measurements sheet(s) to the Engineer-in-Charge/ Site-in-Charge of the ISPRL in quadruplicate for certification.

The Bills shall also be accompanied by quantity calculations in support of the quantities contained in the bill along with cement consumption statement, actual / theoretical, wherever applicable duly certified by the Engineer-in-Charge/ Site-in-Charge of the ISPRL.

7.3. All running account payments shall be regarded as on account payment(s) to be finally adjusted against the final bill payment. Payment of Running Account Bill(s) shall not determine or affect in any way the rights of the ISPRL under this Contract to make the final adjustments of the quantities of material, measurements of work and adjustments of amounts etc in the final bill.

7.4. The final bill shall be submitted by the Contractor within one year of the date of completion of the work fully and completely in all respects. If the Contractor fails to submit the final bill accordingly ISPRL may make the measurement and determine the total amount payable for the work carried out by the Contractor and such a certification shall be final and binding on the Contractor.

7.5. Payment of final bill shall be made within 30 days from the date of receipt of the certified bill by the Disbursement Section of the ISPRL.

7.6. **Wherever possible, payment shall be tendered to the contractor in electronic mode (e-payment) through any of the designated banks. The contractor will comply by furnishing full particulars of Bank account (mandate) to which the payments will be routed. ISPRL reserves the right to make payment in any alternate mode also.**

7.a. MEASUREMENT OF WORKS

7.a.1. All measurements shall be in metric system. All the works will be jointly measured by the representative of the ISPRL and the Contractor or their authorized agent progressively. Such measurement will be recorded in the Measurement Book/Measurement Sheet by the Contractor or his authorized representative and signed in token of acceptance by the ISPRL or their authorized representative.

7.a.2. For the purpose of taking joint measurement, the Contractor/representative shall be bound to be present whenever required by the Engineer-in-Charge/Site in- Charge. If, however, they are absent for any reasons whatsoever, the measurement will be taken by the ISPRL or his representative and the same would be deemed to be correct and binding on the Contractor.

7.a.3. In case of any dispute as to the mode of measurement for any item of work, the latest Indian Standard Specifications shall be followed. In case of any further dispute on the same the same shall be as per the certification of an outside qualified Engineer/ Consultant. Such a measurement shall be final and binding on the ISPRL and the Contractor.

7.b. BILLING OF WORKS EXECUTED

The Contractor will submit a bill in approved Proforma in quadruplicate to the ISPRL of the work giving abstract and detailed measurement for the various items executed during a month, before the expiry of the first week of the succeeding month. The ISPRL shall take or cause to be taken the requisite measurements for the purpose of having the bill verified and/or checked before forwarding the same to the disbursement office of the ISPRL for further action in terms of the Contract and payment thereafter. The Engineer-in-Charge/Site-in- Charge shall verify the bills within 7 days of submission of the Bill by the Contractor.

7.c. RETENTION MONEY

Applicable to the items supplied as mentioned above under 4.c.

7.d. STATUTORY LEVIES

7.d.1 The Contractor accepts full and exclusive liability for the payment of any and all taxes, duties, octroi, rates, cess, levies and statutory payments payable under all or any of the statutes etc. Variations of taxes and duties arising out of the amendments to the Central / State enactments, in respect of sale of goods / services covered under this bid shall be to ISPRL's account, so long as :

- ☐ They relate to the period after the opening of the price bid, but before the contracted completion period (excluding permitted extensions due to delay on account of the contractors, if any) or the actual completion period, whichever is earlier; and
- ☐ The vendor furnishes documentary evidence of incurrance of such variations, in addition to the invoices/documents for claiming Cen vat /Input Tax credit, wherever applicable.

All contributions and taxes for unemployment compensation, insurance and old age pensions or annuities now or hereafter imposed by Central or State Governmental authorities which are imposed with respect to or covered by the wages, salaries or other compensations paid to the persons employed by the Contractor and the Contractor shall be responsible for the compliance with all obligations and restrictions imposed by the Labour Law or any other law affecting employer-employee relationship and the Contractor further agrees to comply and to secure the compliance of all sub-contractors with all applicable Central, State, Municipal and local laws, and regulations and requirements of any Central, State or Local Government agency or authority. Contractor further agrees to defend, indemnify and hold harmless from any liability or penalty which may be imposed by the Central, State or Local authorities by reason of any violation by Contractor or sub-contractor of such laws, regulations or requirements and also from all claims, suits or proceedings that may be brought against the ISPRL arising under, growing out of, or by reasons of the work provided for by this contract by third parties, or by Central or State Government authority or any administrative sub-division thereof. The Contractor further agrees that in case any such demand is raised against the ISPRL, and ISPRL has no way but to pay and pays/makes payment of the same, the ISPRL shall have the right to deduct the same from the amounts due and payable to the Contractor. The Contractor shall not raise any demand or dispute in respect of the same but may have recourse to recover/receive from the concerned authorities on the basis of the Certificate of the ISPRL issued in that behalf.

7.d.2. The rates quoted should be inclusive of all rates, cess, taxes and sales tax on works contracts wherever applicable. However, wherever the sales tax on works contract is applicable and is to be deducted at source, the same will be deducted from the bills of the Contractor and paid to the concerned authorities. The proof of such payments of sales tax on works contract will be furnished to the contractor.

7.d.3. Income tax will be deducted at source as per rules at prevailing rates, unless certificate, if any, for deduction at lesser rate or nil deduction is submitted by the Contractor from appropriate authority.

7.d.4 The contractor shall provide accurate particulars of PAN number as required, under Section 206AA of Income Tax Act 1961.

7.d.5 The contractors having their 'tax residency status' outside India shall provide Tax Residency Certificate (TRC), issued by Government of the Country or the specified territory where the Contractor is a Resident. Rule 21AB of the Income Tax Rules, 1962 has prescribed the contents of a TRC. This would enable the Corporation to deduct tax at source by duly considering the 'treaty relief', if any, under Double Taxation Avoidance Agreement (DTAA) entered into between GOI and the respective country/specified territory in which the Contractors' 'tax residency status' is currently in force.

7.e. MATERIALS TO BE SUPPLIED BY CONTRACTOR

7.e.1. The Contractor shall procure and provide the whole of the materials required as per the scope of the work specified.

7.e.2. The ISPRL may give necessary recommendation to the respective authority if so desired by the Contractor but assumes no responsibility of any nature. The Contractor shall procure materials of ISI stamp/certification and supplied by reputed suppliers borne on DGS&D list.

7.e.3. All materials procured should meet the specifications given in the tender document. ISPRL may, at his discretion, ask for samples and test certificates for any batch of any materials procured. Before procuring, the Contractor should get the approval of ISPRL for any materials to be used for the works.

7.e.4. If required, manufacturer's certificate shall be submitted for all materials supplied by the Contractor. If, however, in the opinion of the ISPRL any tests are required to be conducted on the material supplied by the Contractor, these will be arranged by the Contractor promptly at his own cost.

7.e.5. All materials required for execution of work must be got approved by our site representative before they are brought to the site and also before being actually put to use. All facilities for prior inspection of materials and subsequent inspection of work by our site engineer must be made available.

7.e.6. **Materials without approval:**

7.e.6.1. Any material brought without prior approval will be entirely at the risk and cost of the contractor.

7.e.6.2. If contractor brings defective/ sub standard materials to site, it shall be the responsibility of the contractor for the removal and disposal of the same at his cost. The corporation shall not entertain any claim from the contractor in this account in case the contractor fails to remove such materials within 15 days after issuing notice in writing to the contractor. ISPRL reserves the right to dispose such materials at the entire risk and cost of the contractor.

7.e.6.3. Work order quantities are approximate and payment shall be made as per actual measurements. The contractor is not entitled to for any sort of compensation towards materials procured/ stored in excess of the measured quantity if any.

7.e.6.4. Excess quantities over and above that mentioned in the work order or extra items or deviation in work order should not be carried out by the contractor unless he has been asked to do so in writing and if carried out without such written approval, the same will be at risk and cost of the contractor.

7.e.6.5. Detailed measurement of works carried out shall be jointly taken by the contractor and our site engineer at every stage of work before proceeding to the next stage as per relevant clauses of GCC.

7.e.6.6. Entire works shall be carried out under the supervision of the authorized representative of the ISPRL.

7.e.7. **Procurement of materials:**

It shall be contractor's responsibility for procurement of all materials/ equipment etc and no delay due to non-availability of any materials/ equipments will be entertained by ISPRL.

7.e.8. **Safety and security of materials:**

The responsibility of the materials and equipment brought or installed by the contractors (till they are handed over to us) will remain with the contractor and any claim of whatsoever nature due to any loss or otherwise will not be entertained. The contractor will have to handover completed job in its entirety as per work order.

7.e.9. **Method of work:**

As stated in the general conditions of contract, the contractor shall carry out works as per directions in the work order. The contractor shall not undertake on his own any change in the specifications mentioned in the tender documents and work order. In case of doubt, the contractor will refer the matter in writing and the contractor shall carry out the item of work as per clarifications given. In case of delay in getting such clarifications, the contractor will not be entitled for any claim on any account of idling of their labourers, machinery etc. In case the contractor carries out the work as per his own specifications not acceptable to the corporation in such cases, the same will be required to be redone as per the specifications given by the ISPRL at the contractor's risk and cost. In case of failure to re-do the work by the contractor, the ISPRL reserves the right to get it done through any other agency entirely at the risk and cost of the contractor.

7.f. **MATERIALS TO BE SUPPLIED BY THE ISPRL**

7.f.1. **No material will be supplied by ISPRL for carrying the construction of a building. However, the vendor can make use of the available Electricity and Water by making his own arrangements for their use with in our premises. If the water not available with ISPRL, then the vendor has to make his own arrangement to bring the water from outside.**

8. **PAYMENT OF CLAIMS AND DAMAGES**

8.1. Should the ISPRL have to pay money in respect of claims or demands as aforesaid the amount so paid and the costs incurred by the ISPRL shall be charged to and paid by the Contractor and the Contractor shall not be entitled to dispute or question the right of the ISPRL to make such payments notwithstanding the same may have been without his consent or authority or in law or otherwise to the contrary.

8.2. In every case in which by virtue of the provisions of Workmen's Compensation Act, 1923, or other Acts, the ISPRL is obliged to pay Compensation to a Workman employed by the Contractor in execution of the works, the ISPRL will recover from the Contractor the amount of compensation so paid and without prejudice to the rights of ISPRL under the said Act. ISPRL shall

be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due to the Contractor whether under this contract or otherwise. The ISPRL shall not be bound to contest any claim made under Section 12 sub section (1) of the said Act, except on the written request of the Contractor and upon his giving to the ISPRL full security for all costs for which the ISPRL might become liable in consequence of contesting such claim.

8.a. ACTION AND COMPENSATION IN CASE OF BAD WORK

If it shall appear to the ISPRL that any work has been executed with bad, imperfect or unskilled workmanship, or with materials, or that any materials or articles provided by the Contractor for execution of the work are not of standards specified/inferior quality to that contracted for, or otherwise not in accordance with the contract, the CONTRACTOR shall on demand in writing from ISPRL or his authorized representative specifying the work, materials or articles complained of, notwithstanding that the same may have been inadvertently passed, certified and paid for, forthwith rectify or remove and reconstruct the work so specified and at his own charge and cost and expenses and in the event of failure to do so within a period of 15 days of such intimation/ information/knowledge, the Contractor shall be liable to pay compensation equivalent to the cost of reconstruction by the ISPRL. On expiry of 15 days period mentioned above, the ISPRL may by themselves or otherwise rectify or remove and re-execute the work or remove and replace with others, the materials or articles complained of as the case may be at the risk and expenses in all respects of the Contractor. The decision of the Engineer-in-Charge/ Site-in-Charge as to any question arising under this clause shall be final and conclusive and shall not be raised as a dispute or shall be arbitrable.

8.b. INSPECTION AND AUDIT OF CONTRACT AND WORKS

This contract is subject to inspection by various Government agencies of Government of India. The contractor shall extend full cooperation to all the Government and other agencies in the inspection of the works, audit of the Contract and the documents of Contract Bills, measurements sheets etc. etc. and examination of the records of works and make enquiries interrogation as they may deem fit, proper and necessary.

Upon inspection etc. by such agencies if it is pointed out that the contract work has not been carried out according to the prescribed terms and conditions as laid down in the tender documents and if any recoveries are recommended, the same shall be recovered from the contractors running bills/final bill/from ordered/suggested Security Deposit/retention money. The Contractor shall not rise any dispute on any such account and the same shall not be arbitrable.

9. CONTRACTOR TO INDEMNIFY THE ISPRL

The Contractor shall indemnify the ISPRL and every member, officer and employee of the ISPRL, also the ISPRL and his staff against all the actions, proceedings, claims, demands, costs, expenses, whatsoever arising out of or in connection with the works and all actions, proceedings, claims, demands, costs, expenses which may be made against the ISPRL for or in respect of or arising out of any failure by the Contractor in the performance of his obligations under the contract.

The Contractor shall be liable for or in respect of or in consequence of any accident or injury to any workmen or other person in the employment of the Contractor or his sub contractor and Contractor shall indemnify and keep indemnified the ISPRL against all such damages, proceedings, costs, charges and expenses whatsoever in respect thereof or in relation thereto.

10. TERMINATION OF CONTRACT

- 10.3 The ISPRL on termination of such contract shall have the right to appropriate the Security Deposit, Retention Money and invoke the Bank Guarantee furnished by the contractor and to appropriate the same towards the amounts due and payable by the contractor as per the conditions of Contract and return to the contractor excess money, if any, left over.
- 10.4 In case of Termination of the contract, ISPRL shall have the right to carry out the unexecuted portion of the work either by themselves or through any other contractor(s) at the risk and cost of the Contractor. In view of paucity of time, ISPRL shall have the right to place such unexecuted portion of the work on any nominated contractor(s). However, the overall liability of the Contractor shall be restricted to 100 % of the total contract value.
- 10.5 The contractor within or at the time fixed by the ISPRL shall depute his authorized representative for taking joint final measurements of the works executed thus far and submit the final bill for the work as per joint final measurement within 15 days of the date of joint final measurement. If the contractor fails to depute their representative for joint measurement, the ISPRL shall take the measurement with their ISPRL or any other outside representatives. Such a measurement shall not be questioned by the Contractor and no dispute can be raised by the Contractor for purpose of Arbitration.
- 10.6 When the contract is terminated by the ISPRL for all or any of the reasons mentioned above the Contractor shall not have any right to claim compensation on account of such termination.

11. FORCE MAJEURE

- 11.1. Any delay in or failure of the performance of either part hereto shall not constitute default hereunder or give rise to any claims for damage, if any, to the extent such delays or failure of performance is caused by occurrences such as Acts of God or an enemy, expropriation or confiscation of facilities by Government authorities, acts of war, rebellion, sabotage or fires, floods, explosions, riots, or strikes.

The Contractor shall keep records of the circumstances referred to above and bring these to the notice of the ISPRL in writing immediately on such occurrences. The amount of time, if any, lost on any of these counts shall not be counted for the Contract period. Once decision of the ISPRL arrived at after consultation with the Contractor, shall be final and binding. Such a determined period of time be extended by the ISPRL to enable the Contractor to complete the job within such extended period of time.

- 11.2. If Contractor is prevented or delayed from the performing any of its obligations under this Agreement by Force Majeure, then Contractor shall notify ISPRL the circumstances constituting the Force Majeure and the obligations performance of which is thereby delayed or prevented, within seven days of the occurrence of the events.

12. ARBITRATION

- 12.1 All disputes and differences of whatsoever nature, whether existing or which shall at any time arise between the parties hereto touching or concerning the agreement, meaning, operation or effect thereof or to the rights and liabilities of the parties or arising out of or in relation thereto whether during or after completion of the contract or whether before after determination, foreclosure, termination or breach of the agreement (other than those in respect of which the decision of any person is, by the contract, expressed to be final and binding) shall, after written notice by either party to the agreement to the other of them and to the Appointing Authority hereinafter mentioned, be referred for adjudication to the Sole Arbitrator to be appointed as hereinafter provided.

- 12.2 **The appointing authority shall either himself act as the Sole Arbitrator or nominate some officer/retired officer of Indian Strategic Petroleum Reserves Limited (referred to as ISPRL or ISPRL) or a retired officer of any other Government Company in the Oil Sector of the rank of Ch. Manager & above or any retired officer of the Central Government not below the rank of a Director, to act as the Sole Arbitrator to adjudicate the disputes and differences between the parties. The contractor/vendor shall not be entitled to raise any objection to the appointment of such person as the Sole Arbitrator on the ground that the said person is/was an officer and/or shareholder of the ISPRL, another Govt. Company or the Central Government or that he/she has to deal or had dealt with the matter to which the contract relates or that in the course of his/her duties, he/she has/had expressed views on all or any of the matters in dispute or difference.**

- 12.3 In the event of the Arbitrator to whom the matter is referred to, does not accept the appointment, or is unable or unwilling to act or resigns or vacates his office for any reasons whatsoever, the Appointing Authority aforesaid, shall nominate another person as aforesaid, to act as the Sole Arbitrator.
- 12.4 Such another person nominated as the Sole Arbitrator shall be entitled to proceed with the arbitration from the stage at which it was left by his predecessor. It is expressly agreed between the parties that no person other than the Appointing Authority or a person nominated by the Appointing Authority as aforesaid, shall act as an Arbitrator. The failure on the part of the Appointing Authority to make an appointment on time shall only give rise to a right to a Contractor to get such an appointment made and not to have any other person appointed as the Sole Arbitrator.
- 12.5 The Award of the Sole Arbitrator shall be final and binding on the parties to the Agreement.
- 12.6 The work under the Contract shall, however, continue during the Arbitration proceedings and no payment due or payable to the concerned party shall be withheld (except to the extent disputed) on account of initiation, commencement or pendency of such proceedings.
- 12.7 The Arbitrator may give a composite or separate Award(s) in respect of each dispute or difference referred to him and may also make interim award(s) if necessary.
- 12.8 The fees of the Arbitrator and expenses of arbitration, if any, shall be borne equally by the parties unless the Sole Arbitrator otherwise directs in his award with reasons. **The lump sum fees of the Arbitrator shall be ` 40,000/- per case for Services/transportation contracts and 60,000/- for engineering contracts and if the sole Arbitrator completes the arbitration including his award within 5 months of accepting his appointment, he shall be paid 10,000/- additionally as bonus. Reasonable actual expenses for stenographer, etc. will be reimbursed. Fees shall be paid stage wise i.e. 25% on acceptance, 25% on completion of pleadings/documentation, 25% on completion of arguments and balance on receipt of award by the parties.**
- 12.9 Subject to the aforesaid, the provisions of the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof and the rules made thereunder, shall apply to the Arbitration proceedings under this Clause.
- 12.10 The Contract shall be governed by and constructed according to the laws in force in India. The parties hereby submit to the exclusive jurisdiction of the Courts situated at "location given in tender header" (say Noida) for all purposes. The Arbitration shall be held at "location mentioned for such purpose in Tender header" (say Noida) and conducted in English language.
- 12.11 The Appointing Authority is the CEO & MD of Indian Strategic Petroleum Reserves Limited.

13. GENERAL

- 13.1. Materials required for the works brought by the contractor shall be stored by the contractor only at places approved by ISPRL. Storage and safe custody of the material shall be the responsibility of the Contractor.
- 13.2. ISPRL and/or ISPRL connected with the contract, shall be entitled at any time to inspect and examine any materials intended to be used in or on the works, either on the site or at factory or workshop or at other place(s) manufactured or at any places where these are laying or from which these are being obtained and the contractor shall give facilities as may be required for such inspection and examination.
- 13.3. In case of any class of work for which there is no such specification supplied by the ISPRL as is mentioned in the tender documents, such work shall be carried out in accordance with Indian Standard Specifications and if the Indian Standard Specifications do not cover the same the work should be carried out as per standard Engineering practice subject to the approval of the Engineer-in-Charge/Site-in-Charge.
- 13.4. Should the work be suspended by reason of rain, strike, lockouts or other cause the contractor shall take all precautions necessary for the protection of the work and at his own expense shall make good any damages arising from any of these causes.
- 13.5. The contractor shall cover up and protect from injury from any cause all new work also for supplying all temporary doors, protection to windows and any other requisite protection for the whole of the works executed whether by himself or special tradesmen or sub-contractors and any damage caused must be made good by the contractors at his own expense.
- 13.6. If the contractor has quoted the items under the deemed exports, then it will be the responsibility of the contractor to get all the benefits under deemed exports from the Government. The ISPRL's responsibility shall only be limited to the issuance

of required certificates. The quotation will be unconditional and phrases like “subject to availability of deemed exports benefit” etc. will not find place in it.

13.7 **ISPRL’s Right:** ISPRL reserves the right to increase/ decrease the tendered quantity of any or every item and delete any item at any stage of work at the accepted rates. The contractor’s claim for compensation or damages on account of these shall not be entertained.

13.8 **Revisions:** ISPRL reserves the right to revise the specifications, drawings and designs at any stage of work. Such deviations shall be adjusted at the rates already contained in the work order or at the prevailing market rates, if the rates are not available in the work order.

14. INTEGRITY PACT

Effective 1st September, 2007, all tenders and contracts shall comply with the requirements of the Integrity Pact (IP) if the value of such tenders or contracts is ` 1 crore & above. Failure to sign the Integrity Pact shall lead to outright rejection of bid.

15. GRIEVANCES

Grievances of parties participating or intend to participate in the tender shall be addressed in writing to the officer designate of the Grievance Redressal Cell where the tenders have to be submitted within the stipulated period.
